

## MONTHLY OVERVIEW

Have you ever used a compass to show you which way to go? They're great for helping you on a hike, but not as great when we're trying to figure out which way to go in life. We need the Bible for that.

So, get geared up to hop on your bike or trike so you can spend the next two months with your preschoolers learning that the Bible tells me which way to go.

This month, we're going to start our ride through the Bikes and Trikes theme as we teach our preschoolers that the Bible tells us which way to go. How wonderful would it be if our preschoolers grew up using the Bible as their compass as they ride through life!
